### 5. Pursue Peace & Edification (v19-23)

Christian history, alas, shows numerous examples of people utterly earnest about nonessentials, who have felt at liberty to break the unity of the Church for the sake of their particular fetish.

# Let Us Not Judge Or Stumble

Romans 14:13, Therefore let us not judge one another anymore, but rather resolve this, not to put a stumbling block or a cause to fall in our brother's way.

**Let us not judge:** We are not to condemn others regarding things that are not specifically addressed in Scripture. It is not judging to address actions that the Bible declares are sin.

**Not put a stumbling block:** We are not to behave in a way that causes others to violate their conscience or turn away from God. It is not a stumbling block just because others disagree.
