God Has Some Questions For You

Job 38-42

God Has Some Questions For You

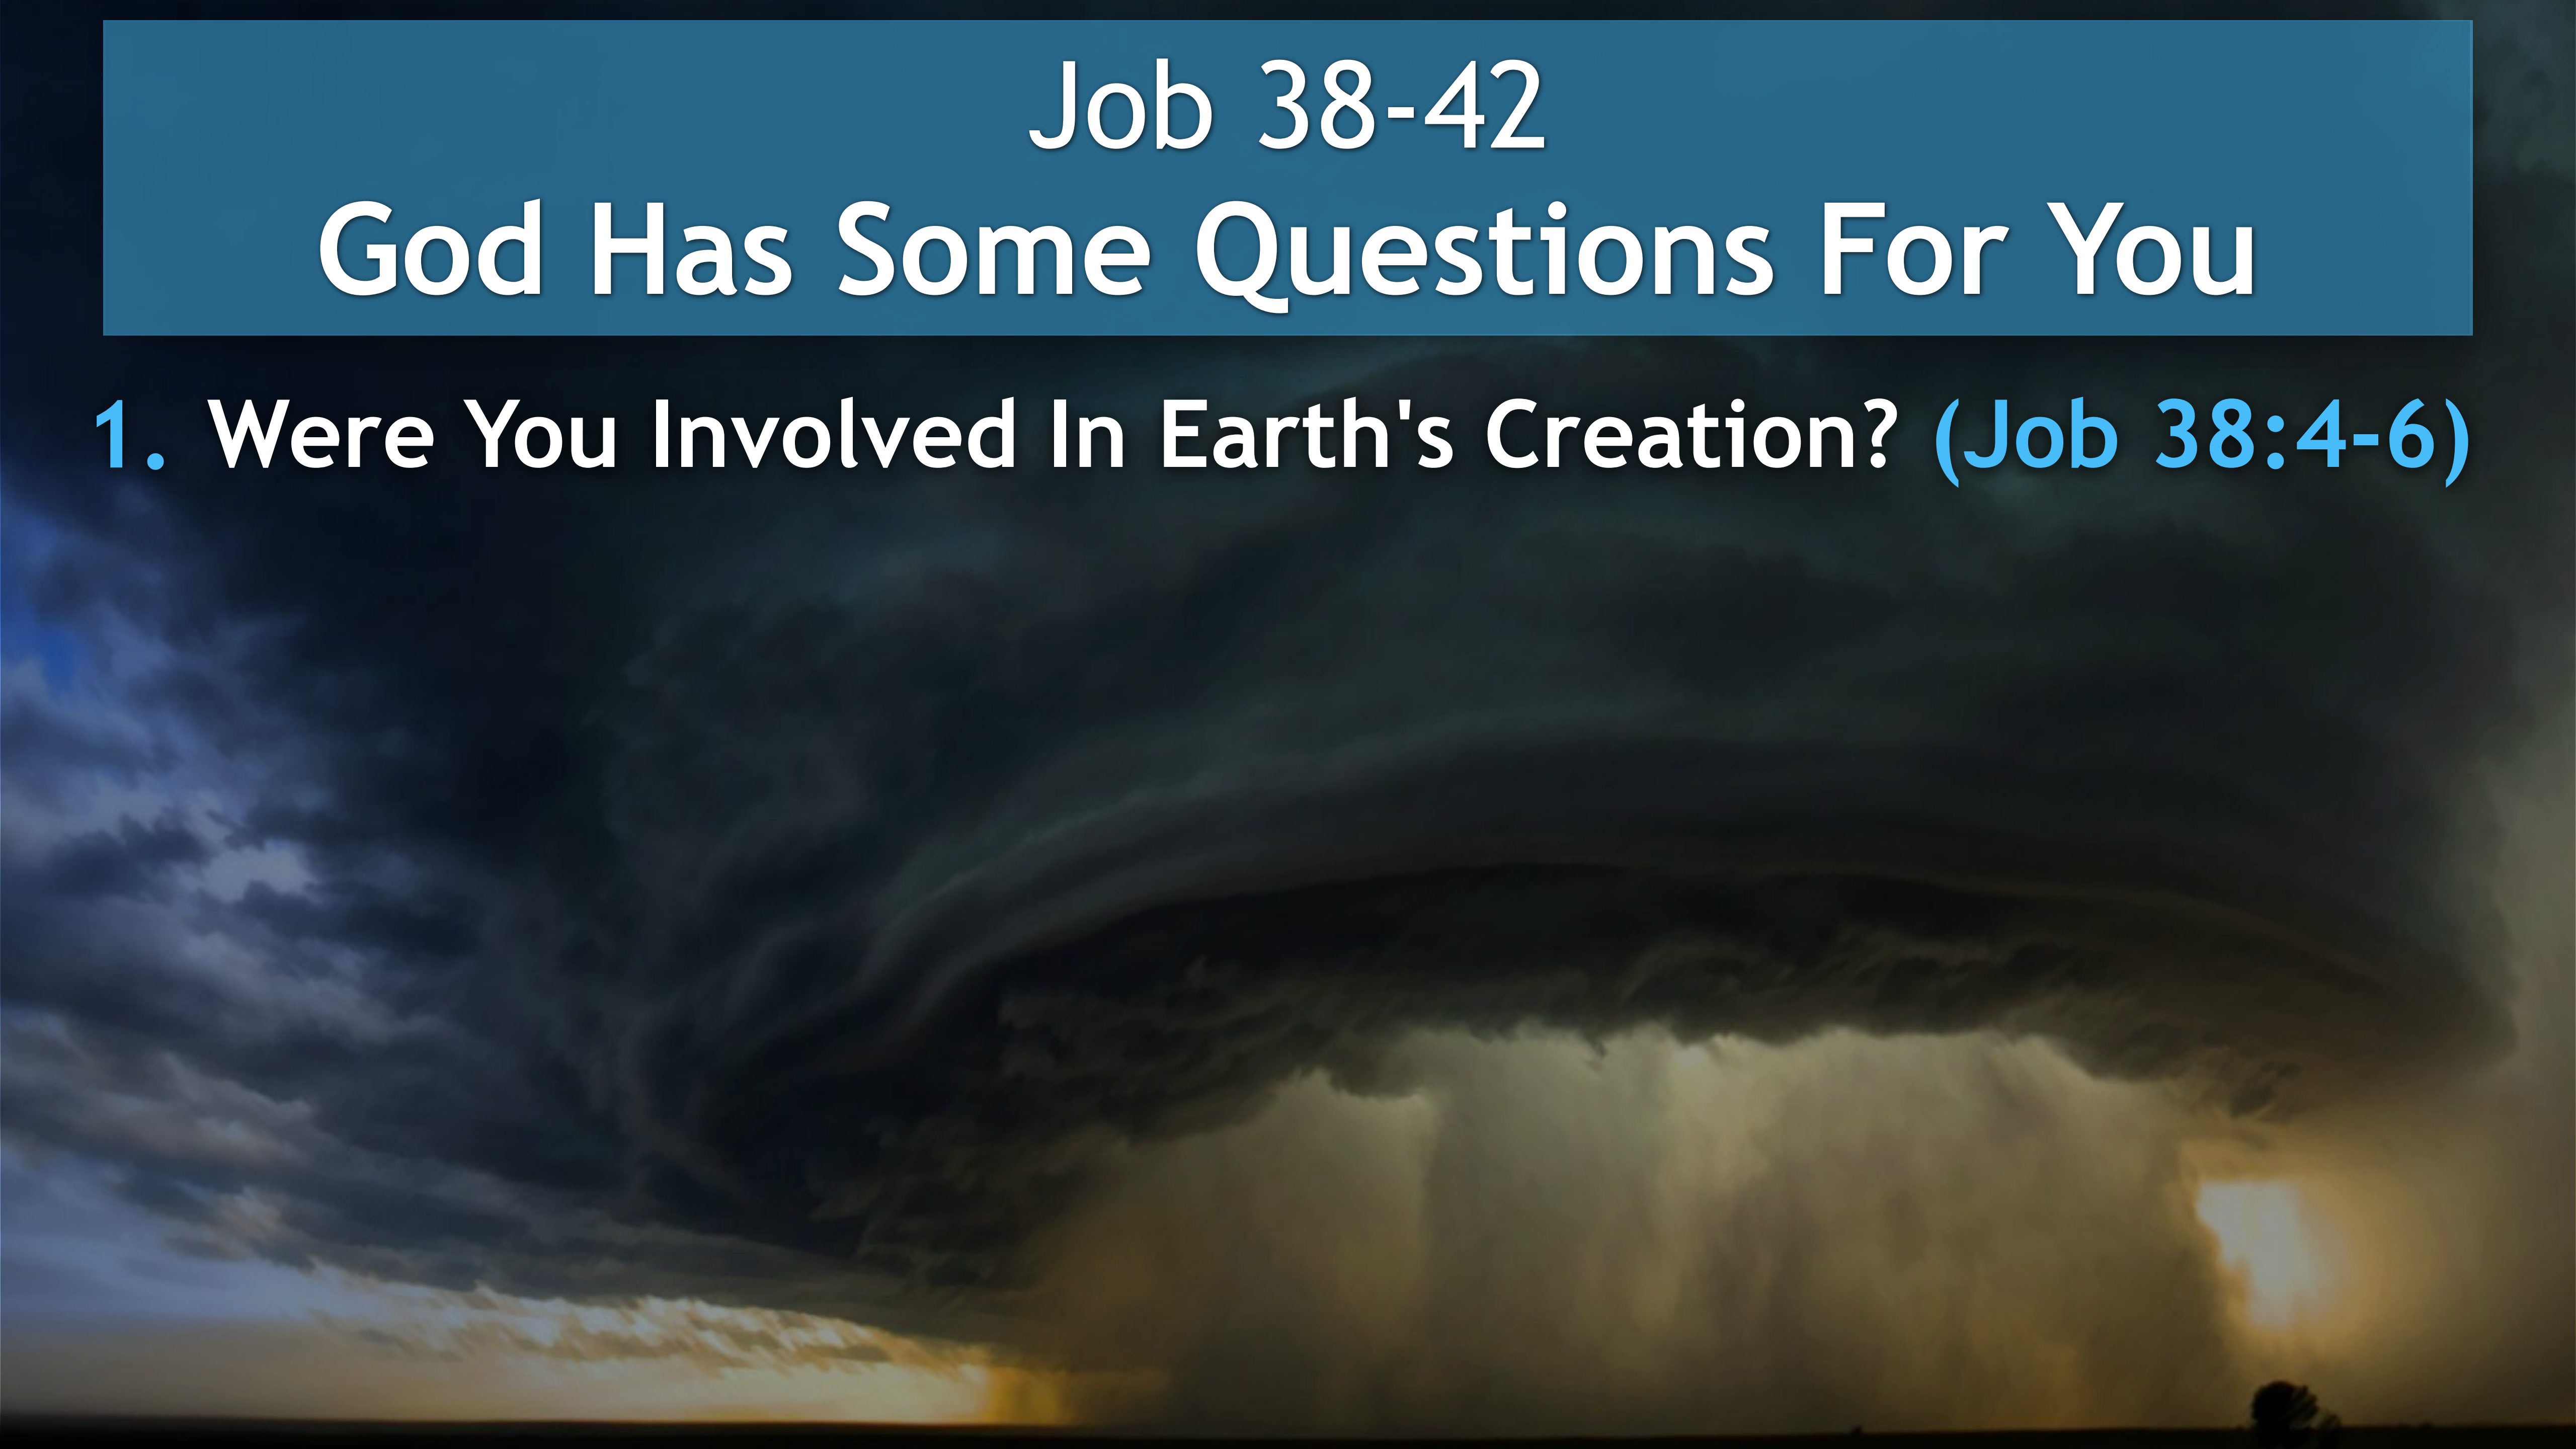

God is essentially saying: "Job, if you can answer these things, then you are fit to question Me. If you cannot answer these things, then you do not have a place to demand answers from Me."

David Guzik

1. Were You Involved In Earth's Creation? (Job 38:4-6)
2. Can You Hold The Stars In Place? (Job 38:31-33)

A deep space photograph of a starry night sky. The background is a dark, deep blue-black. Numerous stars of varying brightness are scattered across the frame. Some stars appear as small, sharp white points, while others are slightly larger and have a soft, out-of-focus glow. In the lower-left quadrant, there is a small, distinct cluster of stars, which is the Pleiades. The overall composition is vast and serene, capturing the immense scale of the universe.

Can you bind the cluster of the Pleiades,
Or loose the belt of Orion?

The background of the entire slide is a dynamic image of numerous US dollar bills, primarily \$100 bills, falling from the top towards the bottom. The bills are in various orientations, some fully visible and others partially cut off, creating a sense of motion. The top portion of the slide features a solid blue rectangular area that serves as a backdrop for the title text.
