1. You Trust The Father To Provide For Your Needs (v22-30)

Warren Wiersbe, With the Word Bible Commentary

The word translated “worry” means “to be pulled apart,” and that is what worry does to you. If your heart is centered on Christ and trusting wholly in Him, you will have a united heart that fears God alone.

F. B. Meyer, Through the Bible Day by Day

Do not think of God as grudging! It is your Father's good pleasure to give. Nothing delights him more than to be able to "give good things to them that ask him."

Thomas Constable, Tom Constable's Expository Notes

4. You Are Faithful With All God Has Entrusted To You (v41-46)

We are God's servants, and He expects us to be faithfully doing our work when Jesus Christ returns. But when we stop looking for His coming, loving it, and longing for it, our hearts get cold, and we get worldly. The Lord will deal with careless servants when He returns, so we had better be ready.
