Judges 17:1-6

He who trusts in his own heart is a fool,
But whoever walks wisely will be delivered.

Proverbs 28:26

Judges 17-21
Without A King To Tell Us We Are Wrong

There was no king in Israel: This sets the stage for the terrible story in the following chapters. This meant more than Israel not having a political monarch; it meant that they refused to recognize God's leadership over them.
